Where this is the case then the member/s will be informed as to how long the information will be held for and when it is deleted.

### **HOW YOUR INFORMATION CAN BE UPDATED OR CORRECTED**

To ensure the information we hold is accurate and up to date, members need to inform the U3A as to any changes to their personal information. On an annual basis you will have the opportunity to update your information, as required, via the membership renewal form. Should you wish to view the information that the U3A holds on you, you can make this request by contacting the membership secretary – as detailed above. There may be certain circumstances where we are not able to comply with this request. This would include where the information may contain references to another individual or for legal, investigative or security reasons. Otherwise we will usually respond within 14 days of the request being made.

### **HOW DO WE STORE YOUR PERSONAL INFORMATION?**

We have in place a range of security safeguards to protect your personal information against loss or theft, as well as unauthorised access, disclosure, copying, use, or modification. Security measures include technological measures such as Secure Socket Layer (SSL) encryption, which creates a secure connection with your browser when you register and login into our online services.

Your membership information is held on an external membership management system (Beacon) and accessed by committee members, group leaders and their deputies as appropriate

Historic digital data kept for audit purposes are stored by the Treasurer and/or the Membership secretary. These may include storage on their personal computers which they backup frequently.
